Please note that the online submission of a completed registration form constitutes a firm booking, subject to the following terms and conditions. Any cancellations received after Friday, 17 July 2015, will incur a 30% administration fee. Cancellations must be made in writing at least 60 days before the conference, or the full fee will be charged. We are happy to accept substitutions if they are submitted in writing before the conference begins. The organisers reserve the right to make changes to the programme and speakers without notice, if this is unavoidable. If delegates are unable to attend for any reason that is beyond the control of the organisers, such as transport problems, personal illness, bereavement, inclement weather, terrorism or act of God, it will not be possible to make any refunds of conference or workshop fees.

### SPONSORSHIP, EXHIBITION & MEDIA PARTNERSHIP OPPORTUNITIES

Software Architect offers you the opportunity to position your company as one of the leading players in the European software development market. With access to a senior-level audience of key influencers and decision-makers, from a wide range of industries, you have the perfect platform to generate awareness, showcase new products and services, and demonstrate your experience and expertise.

To discuss sponsorship & exhibition opportunities please contact:
